**Heart of Silicon Valley Presents
LUCE, Megan Slankard and special guests
at Montalvo Arts Center, Saratoga, CA
to benefit Square Peg Foundation
Sunday, March 4, 2012**

People thought My Cheatin' Heart (aka "Hank") was a total failure for never winning a horse race. Little did they know that this horse would go on to inspire scores of at risk and special needs youth to find strength and inspiration within themselves. Join Heart of Silicon Valley on Sunday, March 4th at the beautiful Montalvo Arts Center, for a very special reception and concert, and to hear Hank's story as we raise money and awareness for the Square Peg Foundation, a sanctuary for horses and special needs youth. The concert will include special performances by LUCE, Megan Slankard and others. Peter Finch will be the Master of Ceremonies. Tickets and information at www.hosv.org
